

B.R. COHN OLIVE OIL CO.

BLOOD ORANGE CALIFORNIA OLIVE OIL

DESCRIPTION

Blood Oranges are added at the time of olive pressing creating this richly flavored California Olive Oil. The result is a robust olive oil with just the right amount of Blood Orange essence.

TYPES OF OLIVES

100% California Mission

POINTS OF INTEREST

Unlike infused olive oils, this oil features fresh Blood Oranges and California Mission Olives crushed together at the time of pressing, creating a superior taste and intensity.

SERVING SUGGESTIONS

- This Blood Orange California Olive Oil is an ideal finishing oil, which complements roasted chicken or pork.
- Great for adding additional flavor to a green salad or fruit salads as well.
