

Our grapeseed oil has a delicious nutty and mild taste making it ideal for everyday use. As a natural byproduct of grapes, grapeseed oil is high in antioxidants, low in fat, and known for its high flash point. This ensures easy grilling, stir-frying and sautéing.

This oil continues the tradition of our Sonoma Estate olive oil and reflects the care and attention given to all B.R. Cohn award winning gourmet foods and ultra premium wines.

I hope you enjoy this gourmet oil as much as my family and I do.

Enjoy,  
Bruce R. Cohn
