

This exceptional extra virgin olive oil begins with olives organically grown in California. The olives are cold pressed using an all natural process. It continues the tradition of our Olive Hill Estate Olive Oil and reflects the care and attention given to all our products and the award winning B.R. Cohn wines.

Use this oil as you would any fine condiment. Splash it on freshly cooked vegetables, toss with pasta, dip a good bread, or use to create a vinaigrette for salads or in marinades.

I hope you enjoy this gourmet oil as much as my family and I do.

Enjoy,
Bruce R. Cohn
