Balsamic Vinegar
of Modena

Following a millennium old tradition, our Balsamic Vinegar of Modena begins with the juice of the trebbiano grape simmered in copper pots and then aged for 25 years in small oak, cherry, mulberry, chestnut and juniper barrels. The result is a rich balance of sweet and sour.

I hope you enjoy this 25 year old Balsamic Vinegar of Modena as much as my family and I do.

Enjoy,

Bruce R. Cohn
