Fig Balsamic Vinegar

We combined the wonderful flavors of Balsamic Vinegar with sweet figs, resulting in this uniquely blended Fig Balsamic Vinegar. This versatile product with balanced flavors can be used in a variety of dishes such as marinades; as a salad dressing; even drizzle over your favorite fresh fruit or vanilla ice cream for a special treat. I hope you enjoy this vinegar as much as my family and I do.

Enjoy,
Bruce R. Cohn
60 grain

Ingredients: Balsamic Vinegar* (6% acidity),
Fig Juice Concentrate. *contains sulfites.
