White Balsamic Vinegar

Following a millennium old tradition, our Premium White Balsamic Vinegar of Modena begins with the juice of the trebbiano grape simmered in copper pots, aged and then finished in light oak barrels. The result is a 12 year old aged White Balsamic that is light, fruity and zesty on the palate.

I hope you enjoy this 12 year old White Balsamic Vinegar of Modena as much as my family and I do.

Enjoy,
Bruce R. Cohn

Product of Italy

contains naturally occurring sulfites and sediments.
