

B.R. COHN WINERY

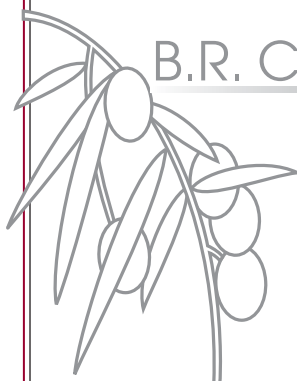

Olive Hill Estate Vineyards

Founded by Bruce Cohn in 1984, B.R. Cohn Winery is located in the heart of Sonoma Valley. This small family-operated winery is surrounded by the 90-acre Olive Hill Estate Vineyards, where soils warmed by underground natural hot springs and gentle ocean breezes create a unique microclimate, resulting in ideal growing conditions for Cabernet Sauvignon. B.R. Cohn also produces Chardonnay from the Carneros region and Merlot and SyrCab from Sonoma Valley.

In addition to its award-winning wines, B.R. Cohn makes world-class California gourmet Olive Oils and hand-crafted Vinegars. The Estate Olive Oil is crafted from 140-year-old French Picholine olive trees imported from France in the mid 1800s, which surround the estate.

Since founding the winery, Bruce Cohn's focus has been to create wines that emphasize balance, elegance and consistent high quality from vintage to vintage.

B.R. COHN WINERY

2005 SONOMA VALLEY OLIVE HILL ESTATE VINEYARDS CABERNET SAUVIGNON

B.R. Cohn Winery has consistently produced one of the premier Cabernets in California from our Olive Hill Estate Vineyards in the heart of the Sonoma Valley. Underground natural hot springs warm the soil, and gentle ocean breezes create a unique micro-climate perfectly suited for growing Cabernet Sauvignon.

The warm 2005 growing season, along with a light crop and small concentrated berries at B.R. Cohn Olive Hill Vineyard, yielded us one of our best Cabernets to date. This wine has much of the ripeness of 2004 with very pronounced aromas and flavors of plum, black currant, and cherry. As always, this exceptional vintage was fermented in small lots to ensure the character of each part of the Olive Hill Vineyard. This vintage was aged for 24 months in only the finest tight grain French oak. A bouquet of fine oak, anise and mint combine with supple tannin and long finish produce a well-balanced Cabernet that will age gracefully for years to come and drink well at your table now.
