B.R. Cohn Winery

Founded by Bruce R. Cohn in 1984, B.R. Cohn Winery is located in the heart of Sonoma Valley. The land, originally purchased by Bruce in 1974, began as 46 acres then later expanded to 90 acres in 1996. French Picholine olive trees planted in the mid 1870's surround the estate, giving inspiration for its name Olive Hill Estate Vineyards. In addition to the estate vineyards, we painstakingly hand select top Northern California vineyards and terroir that are best suited for each wine we produce, ensuring quality and great value to our customers. Through sustainable cultural practices and winemaking we create wines that emphasize balance, elegance and consistent high quality from vintage to vintage.
